9. USE OF MARKS; OWNERSHIP; PUBLICITY.

9.1 License to Use Marks. During the term of this Agreement, Agency Partner is hereby granted a non-exclusive license to use NEC's trademarks, service marks, trade names, the NEC Product name, logos, designs and other designations or brands used by NEC in connection with the NEC Products (collectively, the "Marks") subject to the terms and conditions of this Agreement, including any additional branding guidelines for Agency Partners that NEC may publish from time to time. Subject to the provisions of this Section 10, Agency Partner may indicate its relationship to NEC and refer to the NEC Products by using the Marks provided that such references are truthful and not misleading and NEC is designated as the owner of the Marks.

9.2 No Other Rights to Marks. NEC reserves the right to disallow any use of the Marks which would, in NEC's reasonable opinion, harm the validity or value of the Marks. Upon expiration or termination for any reason of this Agreement, the license set forth in this Section 10 will immediately terminate. Other than the license to use the Marks granted in this Section 10, Agency Partner is granted no other right, title or interest in the Marks. Agency Partner acknowledges NEC's ownership of and right in and to the Marks, and agrees that any and all use of the Marks will inure to the sole benefit of NEC. Agency Partner will take no action inconsistent with NEC's ownership of the Marks and will not challenge NEC's rights in or attempt to register any of the Marks, or any other trademarks, service marks, trade names, product names, logos,

designs, and other designations or brands owned or used by NEC or any mark confusingly similar thereto. If at any time Agency Partner acquires any rights in or to, or any registration or application for, any of the Marks by operation of law or otherwise, it agrees to assign, and hereby does assign, such rights, registrations, or applications to NEC, along with any and all associated goodwill.

Agency Partner can review the most current version of this Agreement at <https://partner.univerge.blue/legal/>. In connection with any such update, amendment, modification or supplement to this Agreement, NEC

In such event, if you do not accept the changed Agreement within the required time period designated by NEC, NEC may immediately terminate the Agreement then in effect between the parties. Disputes arising under the Agreement will be resolved in accordance with the Agreement in effect at the time the dispute arose.

10.2 Governing Law; Jurisdiction; Forum; Attorneys' Fees. This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario without regard to its conflicts of laws or its principles. Any claim or suit arising out of or relating to this Agreement may only be brought in any court of competent jurisdiction located in Ontario. If NEC prevails in an action to enforce this Agreement, including, without limitation, any action by NEC for the recovery of fees due hereunder, Agency Partner will pay NEC's reasonable attorneys' fees and costs associated with such action. Agency Partner agrees to waive the right to trial by jury with respect to any proceeding related to or arising out of this Agreement.

10.3 Written Communications and Notice. Agency Partner accepts that communication from NEC may be electronic, and that NEC may provide certain notices under this Agreement to Agency Partner by e-mail or through posting to Agency Partner's account or to the NEC website. 10.4 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, then the remaining provisions of this Agreement will nevertheless be given full force and effect and be interpreted as broadly as possible to give full effect to the intentions of the Parties in entering into this Agreement.

10.5 Waiver. No waiver by NEC of any breach by Agency Partner of any of the provisions of this Agreement will be deemed a waiver of any preceding or succeeding breach of this Agreement.

No such waiver will be effective unless it is in writing signed by the parties hereto, and then only to the extent expressly set forth in such writing.

10.6 Assignment. Agency Partner may not assign this Agreement or otherwise transfer any of its rights and obligations under this Agreement without the prior written consent of NEC. NEC may assign this Agreement or transfer any of its rights and obligations under this Agreement, without consent of Agency Partner. Any attempted assignment in violation of this Section 11.6 will be void and of no force and effect. Subject to the foregoing, this Agreement will inure to the benefit of and will be binding upon the permitted successors and assigns of the parties.

10.7 Force Majeure. NEC will not be in default or liable for any loss or damage resulting from delays in performance or from failure to perform or comply with the terms of the Agreement due to any causes beyond its reasonable control, which causes include but are not limited to Acts of God or the public enemy; riots and insurrections; war; terrorism; fire; strikes and other labor difficulties (whether or not the party is in a position to concede to such demands); pandemics; epidemics; embargoes; judicial action; lack of or inability to obtain export permits or approvals, necessary labor, materials, energy, components or machinery; or acts of civil or military authorities.

10.8 Entire Agreement. This Agreement constitutes the entire understanding of the parties with respect to the subject matter of this Agreement, and supersedes all prior or contemporaneous representations, understandings, proposals, and agreements. Continued performance of the activities contemplated by this Agreement constitutes continued acceptance of this Agreement, including any and all modified terms. These terms will bind and benefit the successors and heirs of the parties. Agency Partner understands and agrees that (i) the NEC Parties are third party beneficiaries of this Agreement, and (ii) in the event of any breach of this Agreement, such NEC Parties shall have all rights and remedies available to them as if they were parties to this Agreement, including claiming the benefit of Section 7 of this Agreement.
